EPI Newsletter 1979

Article Page

May 1979, Volume I, Number 1

- Introduction 1
- Epidemiology 2
- Research: Measles Vaccination 2
- EPI Revolving Fund 3
- Training Activities 4
- Cold Chain 5
- Newsbriefs 6
- List of National Program Managers 6
- National Vaccination Schedules 7
- Selected Readings 8

July 1979, Volume I, Number 2

- Country Operations: Costa Rica 1
- Training Activities 2
- Epidemiology: Poliomyelitis in the Americas, 1976-1978 3
- EPI Revolving Fund 4
- Cold Chain 5
- Control of Vaccine for the EPI Program 6
- Effects of Thawing and Freezing on Oral Polio Vaccine 6
- Incidence of EPI Diseases in the Americas: 1978-1979 7
- Newsbriefs 8

September 1979, Volume I, Number 3

- EPI Revolving Fund 1
- Measles: An Outbreak in Panama City, 1978 2
- Poliomyelitis: Honduras, 1979 3
- Measles in the Region of the Americas, 1971-1978 4
- Cold Chain: Refrigerators for Health Center Use 5
- Agreement Between PAHO/Ministry of Health, Colombia/CIMDER 5
- EPI Vaccines and Other Vaccines 6
- Reported Cases of EPI Diseases in the Americas and the Caribbean 7
- Newsbriefs 8
- Selected Readings 8

EPI Newsletter 1979

Article Page

December 1979, Volume I, Number 4

- EPI in Brazil: Vaccination Coverage 1
- Cold Chain: Summary of Refrigerator Testing 3
- EPI Revolving Fund: Summary of 1979 Operations 4
- Intervals Between Successive Doses of Killed Vaccines: The Persistence of Immunological Memory and Implications for the EPI 4
- International Symposium on Pertussis 5
- Improved Stability of Freeze-dried Measles Vaccine 6
- Regional Self-sufficiency in Vaccines for the EPI Program 6
- Reported Cases of EPI Diseases in the Americas 7
- Newsbriefs 8

EPI Newsletter 1980

Article | Page

February 1980, Volume II, Number 1

- EPI Global Advisory Group Meeting 1
- Summary of EPI Courses, 1979 3
- Continuing Education in Family Health Nursing 4
- Status of Immunization Programs in the Region of the Americas 4
- EPI Revolving Fund: First Quarter Operations, 1980 6
- Live Attenuated Measles Vaccine 6
- Reported Cases of EPI Diseases in the Americas 7
- Cold Chain: Regional Cold Chain Center 8

April 1980, Volume II, Number 2

- Country Operations: The EPI in Bolivia 1
- Measles in the Region of the Americas, 1978-1979 3
- Poliomyelitis in Argentina 4
- Training Activities: 1980 EPI Courses 4
- Second WHO Meeting on Pertussis Research 5
- BCG Vaccination in the Newborn and Young Infants 6
- Reported Cases of EPI Diseases in the Americas 7
- Selected Readings 8

June 1980, Volume II, Number 3

- EPI in the English-speaking Caribbean, 1979 1
- Evaluation of Immunization Status of One-year Old Children in Recife, Brazil 3
- Thermometers for Refrigerators 5
- Summary of Tests on Vaccine Cold Boxes and Hand Carriers 5
- Reported Cases of EPI Diseases in the Americas 7
- Surveillance Guidelines 8
- The Importance of Testing Vaccines 8

EPI Newsletter 1980

Article | Page

August 1980, Volume II, Number 4

- EPI Revolving Fund: New Members and Summary of 1980 Operations 1
- Measles in Argentina: 1952-1979 2
- Diphtheria in Venezuela: 1956-1975 3
- Terms of Reference of the EPI Global Advisory Group 3
- Forty Thousand Doses of Vaccine Saved 4
- WHO International List of Availability of Vaccines 4
- Retesting of Vaccines: Update to EPI Manual of Operations 5
- EPI Workshop Session on Programming Immunization Services 5
- PAHO Executive Committee Meeting, 1980 5
- EPI National Program Managers 6
- Reported Cases of EPI Diseases in the Americas 7
- Selected Readings 8

October 1980, Volume II, Number 5

- Observations on an Outbreak of Measles in Serrana Municipality, São Paulo State, Brazil 1
- Measles: United States, First 39 Weeks of 1980 5
- Poliomyelitis: Dominican Republic, 1980 6
- Cold Chain: Developing Alternatives for the Solution of Cold Chain Problems 6
- Reported Cases of EPI Diseases in the Americas 7

December 1980, Volume II, Number 6

- EPI Global Status Report 1
- Surveillance: Graphic Monitoring of Immunization Coverage 3
- Improved Stability of EPI Vaccines 4
- Measles Vaccine Efficacy: United States 4
- Status of Immunization Programs in the Americas 5
- Reported Cases of EPI Diseases in the Americas 7
- Poliomyelitis: Honduras, 1979 and Venezuela, 1979 8

EPI Newsletter 1981

Article Page

February 1981, Volume III, Number 1

- Local Level EPI Course: Peru 1
- Local Level EPI Course: Guatemala 2
- Local Level EPI Course: British Virgin Islands 2
- National Cold Chain Course: Argentina 3
- Control of Poliomyelitis in Brazil 3
- Measles: Costa Rica, 1979 5
- Reported Cases of EPI Diseases in the Americas 7
- Argentina: Compulsory Presentation of Measles Vaccination Certificate for
- Admission to Primary and Pre-primary School 8
- Improved Stability of EPI Vaccines: Correction 8

April 1981, Volume III, Number 2

- Poliomyelitis: Cuba, 1962-1978 1
- Measles, United States 2
- Measles: Costa Rica, 1980 2
- PAHO Forms for Quarterly Vaccination Reports 3
- Epidemic Outbreak of Measles in Three Central Provinces of Chile 4
- Accuracy of the WHO/EPI Liquid Crystal Thermometer Tape: Summary Report 5
- Kerosene for Vaccine Refrigerators in Developing Countries 5
- Heat Stability of EPI Vaccines 6
- National Advisory Committee on Immunization (NACI): Further statement on Elimination of Indigenous Measles in Canada 6
- Barbados Contribution to Capitalization of the EPI Revolving Fund 8
- Ecuador: Local EPI Courses 8

June 1981, Volume III, Number 3

- Multidisciplinary EPI Evaluation 1
- EPI National Program Managers' Meeting, Quito, Ecuador, 18 to 22 May 1981 . 4
- Panama: Summary of Immunization Data from 1979 5
- Reported Cases of EPI Diseases, 1980 and 1979, by Country 7
- Regional Cold Chain Development: CIMDER 8

EPI Newsletter 1981

Article Page

August 1981, Volume III, Number 4

- Multidisciplinary EPI Evaluation: Bolivia 1
- Poliomyelitis: Colombia, 1981 4
- The Thermostability of Different BCG Products 6
- Reported Cases of EPI Diseases 7
- Regional Meeting for EPI Managers from English-speaking Countries: Jamaica, 14-18 September 1981
- EPI Courses in Bolivia 8

October 1981, Volume III, Number 5

- Review of Poliomyelitis in the Dominican Republic. 1
- The Epidemiology of Measles in the State of Rio Grande do Sul, Brazil 3
- EPI Vaccination Coverage and Reported Cases, 1980 5
- Retesting of Vaccines: Update to EPI Manual of Operations 6
- Rotary International Support to EPI in Bolivia and Haiti 6
- Reported Cases of EPI Diseases 7
- World Congress on Health Information Systems and the Developing Countries . 8
- Cuban Contribution to the EPI Revolving Fund 8

December 1981, Volume III, Number 6

- EPI Revolving Fund Operations: 1979-1981 1
- Review of Poliomyelitis in the Americas, 1971-1980 2
- Cold Chain Course in Mexico 4
- Review of EPI Training Activities 4
- United States: Measles Importations from the Americas 5
- Immunization Status of Children Entering School in Canada, 1980 6
- Reported Cases of EPI Diseases 7
- Newsbriefs 8

EPI Newsletter 1982

Article | Page

February 1982, Volume IV, Number 1

- Measles in the Americas: 1971-1980 1
- Argentina's EPI Evaluation 3
- Cold Chain Course Held in Peru 5
- New Cold Chain Management Tool 5
- Cold Chain Testing Center 5
- PAHO Directing Council Approves Health for All 2000 Plan of Action 6
- Donations to EPI Revolving Fund 6
- New EPI Revolving Fund Member 6
- Reported Cases of EPI Diseases 7
- Canada: New Brunswick Passes Compulsory Immunization Law 8
- Bolivia Launches EPI Newsletter 8
- International Measles Immunization Symposium 8

April 1982, Volume IV, Number 2

- EPI Five-point Action Program for the 80s 1
- EPI Evaluation in Ecuador 2
- Choosing a Refrigerator or Freezer for the EPI Cold Chain 4
- EPI Operations in Bolivia, 1981 5
- Reported Cases of EPI Diseases 7
- Suriname Holds EPI Workshops 8
- Costa Rica Publishes Manual of Norms and Procedures 8

June 1982, Volume IV, Number 3

- EPI in Cuba 1
- Polio Surveillance in Jamaica 4
- Polio Surveillance in Dominican Republic 5
- Uruguay Approves Immunization Law 5
- Evaluation of BCG Immunization Programs 5
- Reported Cases of EPI Diseases 7
- Bahamas Contributes to EPI Revolving Fund 8
- Belize Holds EPI Workshops 8

EPI Newsletter 1982

Article Page

August 1982, Volume IV, Number 4

- Polio Surveillance in Dominican Republic 1
- Polio Surveillance in Paraguay 2
- Polio Surveillance in Guatemala 2
- EPI Evaluation in Peru 3
- Quality Control of Biologicals 5
- Reported Cases of EPI Diseases 7
- Measles Complications in Children Under 2 Years of Age 8
- Chile Aids Revolving Fund Capitalization 8

October 1982, Volume IV, Number 5

- EPI Evaluation in the Dominican Republic 1
- Choosing a Cold Box or Vaccine Carrier 4
- WHO Collaborating Center for Pertussis Research 5
- Identification of the Origin of Poliovirus Isolates 6
- Reported Cases of EPI Diseases 7

December 1982, Volume IV, Number 6

- Polio Surveillance in Guatemala 1
- Polio Surveillance in Brazil 1
- The Cold Chain: A Case Study 3
- Measles Surveillance: United States, Imported Cases, First 26 Weeks, 1982 5
- Argentina Holds EPI Workshop 6
- Control of BCG Vaccine 6
- Reported Cases of EPI Diseases 7
- Selected Readings 8

EPI Newsletter 1983

Article Page

February 1983, Volume V, Number 1

- Colombia Undertakes Second EPI Evaluation 1
- Polio Surveillance: Argentina 3
- 1981 Vaccination Coverage in the Americas 4
- Rubella: Experience in the United States 4
- Reported Cases of EPI Diseases 7

April 1983, Volume V, Number 2

- Immunization Coverage Surveys: Suriname 1
- Immunization Coverage Surveys: São Paulo, Brazil 2
- Cold Chain: Solar Refrigerator Field-tested 2
- EPI Global Advisory Group Meeting, 1982 4
- Poliomyelitis in Guatemala 6
- Reported Cases of EPI Diseases 7

June 1983, Volume V, Number 3

- International Symposium on Poliomyelitis Control 1
- Measles Vaccine Indicator Trial in Peru 2
- Neonatal Tetanus Meeting 4
- Reported Cases of EPI Diseases 7
- 1983 EPI Revolving Fund Vaccine Prices 8
