Caribbean Schools' Food & Nutrition Quiz Competition

- Ensure that your school participates in the selection process for the national team to represent your country at the CFNI organised Caribbean Schools' Food & Nutrition Quiz Competition.
- The preliminary rounds take place using UWI Open Campus audio conferencing facilities over a period of 2 days.
- Teams will compete against each other to see who the last two teams standing will be.
- These two finalist teams will meet in Guyana on Wednesday, November 16th, to take part in a face-to-face final round of competition.
- The final round will be attended by students, government ministers, professionals in the field of education, food & nutrition and agriculture as well as other key stakeholders.

1. Students from Team Guyana review resource materials before the final round of competition. 2. Students reading the informational display boards before the start of the grand finale.
3. Students in the audience fill out their 'Pop Quiz' cards in order to compete for gift baskets sponsored by TTABA. 4. Director of CFNI, Dr. Fitroy Henry, delivers a warm welcome to the two finalist teams and the audience. 5. Team Guyana responds to a question posed by the Quiz Master. 6. Team Anguilla responds to a question posed to them by the Quiz Master.

OBJECTIVES OF THE COMPETITION

To improve the image of food and nutrition in the region.

To promote nutrition and healthy lifestyles among students and the community.

To help students in preparation for local and regional examinations in Food and Nutrition.
