CARIBBEAN SUBREGIONAL MANAGERS MEETING, 2011

PAHO recently convened the Caribbean Subregional Managers' Meeting which was held at the Hyatt from February 28th to March 4th.

PURPOSE OF THE MEETING

Include the country and subregional perspective into the collective construction of the corporate policy with regard to country-focused cooperation, aiming at a symmetric understanding of -and contribution to- the decision-making process and policy making.

ACTIVITIES

Activities included planning for the 2012-2013 Biennium, a Workshop on Partnerships with the key stakeholders Photo and a session with the UNCT which included a presentation by the resident Coordinator on the UN cooperation programme.
